For more than 50 years, Krispy Kreme Fundraising has helped non-profit groups like yours raise millions of dollars across the country. When you set up a fundraiser with Krispy Kreme you'll go to your family, friends and neighbors and sell Partnership Cards or take orders for Original Glazed dozens. We'll provide your group with pre-sell order forms. Allow one to two weeks for your group to go out into the community, take orders and collect money. Then select one day to be your Krispy Kreme Day when you pick up your dozens at your local Krispy Kreme store and deliver them to those who ordered from you. See a store manager today and get ready to raise a little dough!
